

STUDY 14

LOVE

In the last lesson, we learned that brotherly kindness is part of godly living. Now we will explore the topic of love more fully. Love is a word that we use quite often. "I love my wife," "I love my dog," "I love Mexican food." We certainly do not love all these things equally! But love is the word we use for all these feelings.

There are different words in Greek for love. Eros focuses on sexual desires (lust); phileo focuses on brotherly friendship; and agape is used to express a deep, long-suffering, and constant love toward an unworthy object. Agape is God's wonderful and unconditional love for us.

Let's begin this study by memorizing **1 John 4:16**:

"And we have known and believed the love that God has for us. God is love, and he who abides in love abides in God, and God in him."

God is love. All that God does is an expression of His love. Love is not just one of His attributes, it is His very nature.

In this lesson, you will learn about:

- God's love for His people.
- Our love for each other.
- Our love for God.
